RECOGNITION OF KDWB-FM FOR RECEIVING THE NABEF SERVICE TO AMERICA AWARD

● Mr. COLEMAN. Mr. President, I am pleased to recognize a distinguished Minnesota radio station, KDWB-FM, for winning the 2003 National Association of Broadcasters Education Foundation's Service to America Award, commending its commitment to community service.

This award recognizes KDWB-FM's alliance with the University Pediatrics Foundation. For 8 years KDWB, based in Minneapolis, has produced and hosted numerous fundraising events to support the foundation, raising \$1.5 million.

In 1999 KDWB and the University Pediatrics Foundation used these funds to open the KDWB University Pediatrics Family Center within the University of Minnesota's Department of Pediatrics. The center serves children living with chronic conditions such as cerebral palsy, sickle cell anemia, and spina bifida, and provides clinical care, research, and emotional support services to the children and their families.

KDWB represents a tradition of corporate dedication to community service in the State of Minnesota. Since 1999, four Minnesota stations have received the Service to America Award. This tradition of service is an important Minnesota legacy. Public-private partnerships like these are what truly get done and leave a lasting positive impact on our state.

I would like to commend KDWB-FM for its diligent efforts to improve the communities which it serves.●
